

# TRAINING in company | Toronto | Moncton | Winnipeg | Ottawa and everywhere in Canada

## **Training in programming, design, office automation in French or English in your company**

If there is one area that is constantly evolving, it is the field of information technology. To stay abreast of the latest trends, today's companies must invest in training their staff. And when companies want training in information technology, they turn to **Doussou Formation**.

**Doussou Formation** offers more than 101 training titles ready for you.

- Our team is made up of 15 experts in their respective fields.
- We favor small groups (maximum of five learners) for maximum personalization, retention and practice.
- 97% of our customers are satisfied with our training.
- Our trainers go in your company, which allows to:
  - Avoid a loss of productivity caused by the employee's movement.
  - Work on your equipment and programs to maximize the transfer of training.
  - Include some of your realities and maximize the personalization of the training.
  - Share confidential information between classmates without problems.
  - Build an even stronger team spirit.
- Companies like TC Transcontinental, Videotron, Bell Media, Desjardins, and National Bank, to name just a few, trusted us.

## **Our training topics:**

Design Training (PhotoShop, Illustrator, InDesign)  
-3D (Rhino 3D)  
-programming (Python, Java, C #, PHP)  
-Creation of websites (HTML, CSS, Angular, ...)  
-Office 365, other versions (Excel, Word, PowerPoint)  
-Project management  
-and many others

**Mark P. – Government of Canada- Ottawa**

I want to thank you both for providing my resources some excellent training over the past 3 days. Mamadou, thank you for being so accommodating on such short notice and for sending your facilitator to Gatineau for this customised and personalised training course. We'll look forward to continuing our partnership for future training needs.
